

## Barley Barkway First Schools Federation Pupil Premium Funding

### Pupil Premium Grant April 2024-25

Based on the Oct 2023 census of 6 pupils equating to £8800

This captures the schools' plan for the academic year of 2024/2025 and will alter from September 2024 when PP numbers alter when the pupil profile changes.

We acknowledge that the 'disadvantaged group' does not just include those pupils in receipt of pupil premium. We extend support to all in our schools who require additional support either academic or emotional. Our pupil premium spend ensures additional targeted effective support to all. The pupil premium budget is largely put towards the cost of TA provision. The full extent of TA provision is not expressed in this document.
